9. Prices - terms of payment

Our prices are determined based on the precise details and information of the Customer. These details and information form the basis for our price offer. Unless stipulated otherwise in the order confirmation, our prices apply “ex works” and include packaging. Prices are stated in EUR.

If the use of rented packaging is required for the transport (e.g. euro-pallets / wire crates), we charge an additional rental fee if an exchange of equal value at the Customer is not possible. We reserve the right to adjust prices appropriately if cost increases occur after the conclusion of the contract, particularly based on tariff agreements or price changes for material or currency fluctuations. We are obligated to proceed likewise in case of cost reductions. Upon request, we shall verify both cost reductions and cost increases as soon as and to the extent that they have occurred, and shall take them into account in the form of cost increases and cost reductions.

Statutory Value Added Tax is not included in our prices; it is specified in the invoice at its legal amount on the day of invoicing.

The deduction of a discount is only permissible upon special written agreement.

Unless stated otherwise in the order confirmation, the purchase price is due and payable net (without deductions) within 14 days from date of invoice. The statutory regulations apply regarding the consequences of default of payment. For all online orders, payment withdrawal will take place when the goods are shipped from our warehouse.

The Customer is only entitled to off-setting if his counter claims were legally determined, are uncontested or accepted by us. He is furthermore entitled to a right of retention in as far as his counter claim is based on the same contractual relationship.

10. Delivery withdrawal - delivery time

The commencement of delivery times stipulated by us implies that all technical issues have been clarified. Delivery time will be stated on the order confirmation. For all stock goods, the delivery time is expected to be 5-8 working days. Read more: <https://actiforce.com/shipping-delivery/>

Compliance with our delivery obligation furthermore implies the on-time and proper fulfilment of the Customer’s obligations. The plea of the unfulfilled contract remains reserved.

If we do not receive deliveries even though we have placed congruent orders at reliable suppliers, we are exempt from our duty to perform and can withdraw from the Agreement. We are obligated to inform the Purchaser of the unavailability of the service immediately and shall

reimburse any consideration previously paid by the Purchaser without undue delay.

If the Purchaser is in default of acceptance or if he culpably violates other obligations to participate, we are entitled to demand compensation for incurred damages including any additional expenses. Further claims or rights remain reserved.

If the conditions mentioned in paragraph (4) exist, the risk of accidental destruction or deterioration of the merchandise is transferred to the Customer at the moment he is in default of acceptance or payment.

We are liable according to statutory regulations if the underlying purchasing agreement is a fixed-date transaction in terms of Section 286 (2) No. 4 BGB or Section 376 HGB (German Commercial Code). We are also liable according to statutory regulations if - as a consequence of delay in delivery attributable to us - the Customer is entitled to assert that his interest in the further fulfilment of the Agreement has ceased.

We are furthermore liable according to statutory regulations if the default is based on intentional or gross negligent breach of contract attributable to us; we are responsible for the culpability of our vicarious agents. If the default is based on a gross negligent breach of contract attributable to us, our liability for compensation is limited to the foreseeable, typical damage.

We are also liable according to statutory regulations if the default attributable to us is based on the culpable break of an essential contractual obligation; however, in this case, the liability for compensation is limited to the foreseeable, typical damage.

Further statutory claims and rights of the Customer remain reserved.

Unless stipulated otherwise in the order confirmation, the delivery is agreed "ex works".

Special agreements apply for the return of packaging.

If the Customer so desires, we shall cover the delivery with transport insurance; the Customer is responsible for any incurred costs.

We will carry out such reimbursement using the same means of payment as you used for the initial transaction unless you have expressly agreed otherwise; in any event, you will not incur any fees as a result of such reimbursement.
